DETAILED ACTION

1. Claims 1-12 are allowed.
2. The following is an examiner's statement of reasons for allowance:

The cited art (e.g., U.S. Pat. No. 5,741,740 to Jang et al.) taken either singly or in combination with other prior arts fails to anticipate or fairly suggest at least, among others, the method steps of: a) removing a portion of the first dielectric layer and open up the apertures to form a plurality of openings, performing an etching process to increase the width of the openings, and forming a second dielectric layer over the first dielectric layer to fill the openings completely, as recited in claim 1; b) removing a portion of the first dielectric layer to open up the apertures and form a plurality of openings, removing a section of the first dielectric layer off the sidewalls of the openings so that a width of the opening is increased, forming a second dielectric layer over the first dielectric layer to fill the openings completely, as recited in claim 9; and c) removing a portion of the first dielectric layer to open up the aperture and form a second opening, removing a section of the first dielectric layer off the sidewalls of the second opening to increase a width of the second opening, and forming a second dielectric layer over the first dielectric layer to fill the second opening completely, as recited in claim 16.

3. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

4. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Luan Thai whose telephone number is 571-272-1935. The examiner can normally be reached on 6:45 AM - 4:15 PM, Monday to Friday.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Michael Tokar can be reached on 571-272-1812. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
